

U.S. FOOD & DRUG ADMINISTRATION STATEMENT

OptiPEA® (palmitoylethanolamide) is manufactured by Ofichem BV in commission of Innexus Nutraceuticals BV. Ofichem is an FDA inspected facility which can be verified by their FDA issued FEI number.

FDA Establishment Identifier (FEI) Ofichem:

1000286391

What is an FDA Establishment Identification number?

An FDA Establishment Identification (FEI) number is a unique identifier issued by FDA to track inspections of the regulated establishment or facility. FEI numbers are also used to track GDUFA facility fee payments.
